### Before & After School

care available

### Children ages

### 16 months – 5 years

Enroll at Rayito de Sol and give your Little Ray of Sunshine a once-in-a-lifetime advantage.

Learning is an inverse function of age, the younger a child is, the faster a child will learn.  
**Explosive brain growth** occurs between conception and age 6.

Children proficient in more than one language, generate more brain cells and enhance their learning capacity for life.

Your child will explore language through Latin...

- Cultures,
- Art,
- Dance,
- Music,
- Literature,
- Experiences and
- Native Spanish-speaking teachers

We offer small class sizes and a structured, Core Knowledge academic-based curriculum.
